

TRACK B · BUSINESS RE-INVENTION

CoreEssentials

AI foundation in 12 weeks.

The **governance, platform and operating model** you need to scale AI.

Two business units live in 12 weeks

01 THE PROBLEM

ServiceNow is live, but progress has stalled.
CoreEssentials rebuilds the foundation AI needs.

- Business units stuck in silos
- Inconsistent governance
- Adoption varies across teams
- AI ambition, no foundation

02 WHAT WE DELIVER

A fixed-price foundation for AI readiness: a Centre of Excellence, a shared platform built once, and two priority business units live.

Centre of Excellence

One governance model for AI, data, workflows and business priorities.

Platform Foundation

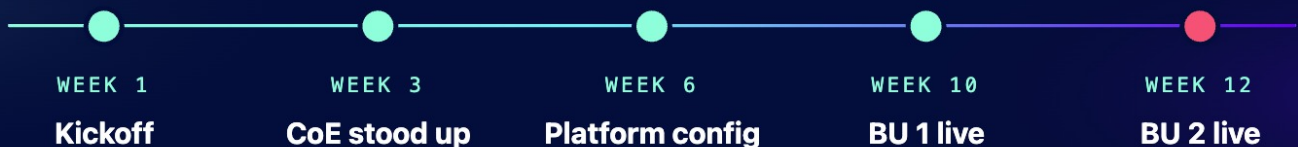

A shared ServiceNow foundation, built once and inherited by every BU.

Two Business Units Live

Launch two priority business units and set the blueprint for enterprise-wide expansion.
